

# Library Happenings

## Estill Public Library

by Shannon Horn

### Baby Art

Hi everyone! There is a lot going on during the month of November, so make sure you are keeping track of everything, whether it is through this article or our Facebook or website. We want you to know about all of the fun things that we are providing our community.

### Teen Film Club

Our club's debut short film, Read: A Haunted Library Tale, has been put out on our Facebook and YouTube channel. It has had over 130 views so far. I've heard nothing but positive comments from everyone who has seen it. I would like everyone to know that the ghost story that I share in the film is complete fiction. The kids came up with the story just for this project. The painting that is

located in the library IS of library property from many years ago. It is rather pretty in my opinion. I think it is very interesting to see what this land looked like before the library or the road was here. Go check out the short film. You'll probably have a few laughs. If you go to YouTube, just search Estill County Public Library. It should come up!

### Local Artist Showcase

Just another reminder about our local artist showcase that is coming up in December! Any local artist can bring in their art work November 25, 26, and 27th from 9:00-5:00. It will be displayed in the meeting room from December 2nd through the 20th. It can be any kind of art; sketches, quilts, paintings, anything and everything are welcome. For more information, call 723-3030 and ask for Lesa.

### STREAM Club

A couple weeks ago I decided to change things up for our Thursday afternoon programming. Usually we have LEGO Club from 4:15-5:00. Attendance has dropped the last couple of months,

so I'm trying something new. STREAM Club will still be for kids ages 6-12. STREAM stands for Science, Technology, Reading, Engineering, Art and Math. We will be doing a project each week that falls into one of those categories. On the 21st of this month, we will be making homemade rolls and butter. It will be interesting to see how this goes. While the kids make their butter I am going to let them watch A Charlie Brown Thanksgiving. If you know a child that would like to do something like this, bring them on by or give us a call at 723-3030 for more info.

### Baby Art

Since our last Baby Art class went so well, we will be having another class on the 18th. This time the babies will get to make a piece of art to take home with them. There were 20 babies that participated in the last class, so we will probably have that many this time. I will have a sign-up sheet closer to time on our Facebook page.

That's all for this week folks. I'll be back next week with more. Until then...
