Blood donors must be at least 17-years-old (16 with parental consent), weigh at least 110 pounds, be in general good health, show a photo I.D. and meet additional requirements. Sixteen-year-old donors must have a signed parental permission slip, which can be found at kybloodcenter.org. Walk-ins are welcome. Christians Helping Veterans

Many Veterans and their family members seek help for their problems from clergy because they feel the faith community can provide anonymity, confidentiality and a stigma-free environment.

Yet, clergy members sometimes have limited knowledge about readjustment difficulties and the unique health issues such as post-traumatic stress, or depression common to returning warriors. This event can help prepare you to support them.

This free interactive training is co-sponsored by the National VA Chaplain Center and Ravenna Christian Church, Disciples of Christ, 106 Seventh Street, Ravenna, KY. Seats are limited at this event, so please register to reserve your seat now. Parking is available in the chain-linked lot across from the church.

The training will consist of four different sessions, taking place on March 11, April 8, May 6, and June 17. Registration begins at 8:30 am on each training day, with the sessions beginning at 9 am. The training session will end at 12 pm with the option to re-convene for lunch at a local restaurant for further discussion. Please sign up for each session individually!
