Maudie's Naughties

Bumpy Landing

A pilot lands a plane with a rather bumpy landing. As part of his job he is required to stand by the terminal door and say goodbye to the passengers as they exit the airplane.

He was afraid that someone might say something about his rather less than perfect landing, but everyone left without saying a word except for one passenger, an elderly lady, she slowly approaches the pilot after most passengers had exited the plane and asks, "Did we land? Or were we shot down?"

Fishing In The Park

Three men are sitting on a park bench. The one in the middle is reading a newspaper while the others are pretending to fish. They bait imaginary hooks, cast lines, and reel in their catch.

A passing policeman stops to watch the spectacle and asks the man in the middle if he knows the other two.

"Oh yes" he says. "They're my friends."

"In that case," warns the officer, "You'd better get them out of here!"

"Yes, sir" the man replies and begins rowing furiously.

More Experience

A man is crossing the street when a car slams into him. The pedestrian sues the motorist, whose lawyer makes the following statement at the end of the trial.

"Your honor, my client is not at fault. He has been driving a car for 30 years, and has never had an accident, nor gotten so much as a speeding ticket. Do I need to same more . . . ?

Unimpressed, the lawyer for the plaintiff rises. "Your honor, since counsel insists on bringing up the matter of experience, may I remind the court that my client had been walking for over 70 years . . ."

New Packer

The factory foreman inspects the shipment of crystal vases leaving the plant, and approaches his new packer. He puts his arm around the man's shoulder and says, "Well, Junior, I see you did what I asked. You stamped the top of each box, 'This Side Up, Handle With Care.'"

"Yes sir," replies Junior. "And, just to make sure, I stamped it on the bottom, too."

Looking For A Bride

A young man looking to get married tells his friend. "Every woman I bring home to meet my parents, my mother doesn't like."

"Oh, that's easy," his pal replies. "All you have to do is find someone who's just like your mother."

"I did that already," he says, "And that one my father didn't like."

Perspective

A husband asks: Why do you weep and snuffle over a TV program and the imaginary sadness of people you have never met?

Wife: For the same reason you scream and yell when a man you don't know makes a touchdown.

Read All About It

A newsboy is standing on the corner with a stack of papers, yelling, "Read all about it; Fifty people swindled!" Fifty people swindled!

Curious, a man walks over, buys a paper, and says, "Hey kid, this is an old paper, where's the story about the big swindle?"

The newsboy ignores him and goes on calling out, "Read all about it; Fifty-one people swindled!"

Undeserved Grade

A student bursts into his professor's office and says; "Professor Stigler, I don't believe I deserve this F you've given me."

To which Stigler replies, "I agree, but unfortunately it is the lowest grade the University will allow me to award."

Only Three Kinds of People

One man says to the other, "You know, there are really only three kinds of people in the world: those who can count, and those who can't."

"If that's for the patio, I hope _____ never comes."

SCRAMBLERS

Unscramble the letters within each rectangle to form four ordinary words. Then rearrange the boxed letters to form the mystery word, which will complete the gag!

Full of Life

CHORUS

Would you like to be full of life,
It's a treasure many are searching for.
Listen if you wish, and I can tell you more;
Knock when ready, and open Heaven's door.

You can be full of life, if in Him you abide,
And look past Heaven's door, to the other side.
What you see is waiting, for you and me,
It's an awesome paradise, stretching thru eternity.

More abundant life is the promise we know,
Which means a fuller life, as in His love we grow.
When the spirit come in, our lives will be;
Changed to one full of life, bound for eternity.

A way full of life, is waiting for you to claim,
If you accept it, your life will never be the same.
If you reject it, that is left up to you,
But a way full of life, is awesome in my view.
