

Engineer junior Joe Benton moves to seventh place on Estill's all-time scoring list

Estill junior Joe Benton has moved into 7th place among the Engineers all-time scoring leaders with 1,305 points after moving into the 1,000 point club earlier this year.

With a year of eligibility remaining, Benton has surpassed Estill scoring greats Cody Berryman (1292), Trevor Jones (1263), and the late Bud Erwin (1162).

Benton could easily surpass the next two excellent ball players on the list with just a modest scoring season of 10-15 points per game. Clinton Dixon put in 1417 points during his tenure at Estill and Blake Christopher scored 1517 total.

One of the greatest players for the Louisville Cardinals, Brian Kiser, would be next on the list with 1614. The third all-time leading scorer for Estill is Tristan Cackling with 1768.

The highest scorer for Estill for many years was Delmar McGee with 1943 but he was surpassed last year by Caleb Bonny who put in 2,022 career points for the Engineers.

Benton also has 565 assists, 370 rebounds and made 236 three pointers. He made 532 points this season.

Lady Engineers totals will be available later. Some Estill girls records may have been lost.

Estill County Middle & High School Schedules will be ready next week

Father and Son

My dad had a knee replacement a little over a month ago. Everything is going good with the new knee. I have had the pleasure of taking care of him. He took care of me for a lot of years. Dad has always been there for me when I needed him. So, it was my turn to be there for him. It was fun for Jake, Josh, and Brinley to get to hang out with Dad/Papaw so much. Now that he is on the mend, we are going to miss spending so much time with him.

My dad has always taken care of me. I guess that's why at 43 years old I still like hanging out with my dad. I have always talked to my dad about big decisions. He has always listened and given me solid advice. I have been blessed with a great earthly father who is my hero.

I also have a Heavenly Father who has always taken care of me. He has always been there for me. My Heavenly Father has got me through more storms than I can count. I really need to spend more time talking to him than I do. He always listens and just like my earthly father he gives solid advice.

My Heavenly father even wrote this book that I use as a guide to life! The Bible!!!

I know some folks have not been blessed by a great father. He might have not ever been in your life. Could have let you down multiple times. Possibly even been abusive. Even if you didn't have a great earthly father you do have a Heavenly Father that loves you and wants to have a relationship with you. That even goes for the people who had a great father.

John 14:6, "Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me."

If you are longing for a relationship with God all it takes is accepting Jesus Christ into your heart. I highly recommend talking to him daily and read the directions daily. God is good all the time and all the time God is good."

Romans 10:9, "That if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved."

Until next week get out and enjoy God's creation!
