Salome's Stars

ARIES (March 21 to April 19) You might need to do a bit more investigating before making a career move. You do best when you come armed with the facts. A personal matter still needs tending to.

TAURUS (April 20 to May 20) Your creativity plus your good business sense once more combine to give you an important advantage in a difficult workplace situation. An ally proves his or her loyalty.

GEMINI (May 21 to June 20) Avoid rushing into something just because it offers a break from your usual routine. Take things a step at a time to be sure you're moving in the right direction.

CANCER (June 21 to July 22) Bouncing back from a disappointing incident isn't easy, but you should find a welcome turn of events emerging. Spend the weekend with someone special.

LEO (July 23 to August 22) An incomplete project needs your attention before someone else takes it over and uses it to his or her advantage. There'll be lots of time for fun and games once you get it done.

VIRGO (August 23 to September 22) Doubts involving a potential career change need to be resolved quickly so they don't get in the way when you feel you're finally ready to make the big move.

LIBRA (September 23 to October 22) Looking to blame someone for a workplace problem could backfire if it turns out you've got the wrong "culprit." Best to get more facts before acting on your assumptions.

SCORPIO (October 23 to November 21) Patience might still be called for until you're sure you finally have the full story that eluded you up till now. A trusted associate could offer valuable guidance.

SAGITTARIUS (November 22 to December 21) Look into your recent behavior to see if you could have caused the coolness you might now be sensing from a loved one. If so, apologize and set things straight.

CAPRICORN (December 22 to January 19) Easing up on your social activities allows you to focus more of your energies on a long-neglected personal matter. You can get back into party mode by the weekend.

AQUARIUS (January 20 to February 18) A dispute with a colleague can be resolved peacefully once you both agree to be more flexible about the positions you've taken and allow for more open-minded discussions.

PISCES (February 19 to March 20) Volunteering to take on added responsibilities could be a risky way to impress the powers-that-be. Do it only if you're sure you won't be swept away by the extra workload.
