If you and half German shepherd. I ran over went too fast the car would spin out him with a bicycle when he was a and fall off the track. Brother Dunn pup. He hated me and would bite me made a large track about 20 feet long every time he got loose. David had a out of plywood and it was about 10 dog named Blue. feet wide. You could really run on this track. He left the church a few years Puckett's place. We would go down later.

I had a piggy bank and took out my to farm. We built onto a shack behind money and got a new Western Flyer. the house in a bank. We put a roof on it. It was a red 26" and was real pretty. My sister Sue helped me learn how and the 'spitters' about eat us up. We to ride it. She would hold me up and would play cards a lot of times. We run with me to try to keep me from wrecking.

the bike from me and ride out to the le. We would play all the time. David store and other places. One night at would spit a lot so Glenn called him Halloween he had borrowed the bike. Sue and I were trick-or-treating and I He still goes by that name. We always got Glenn to give me my bike out the called Donald, 'Duck' He was a lot difroad. It was dark and I couldn't see ferent than David. verv good. I ran into a tree several of the boys had cut across the road. It snow forts and everything. Glenn bent the front fork back where the tire was always bigger so he could get me. wouldn't roll now. The boys laughed Then we would 'waller' in the snow about it. I cried because it hurt but and everything. Once we made a canthey didn't care. One of them was a non out of a two-inch pipe. We would bully to people who were smaller shoot walnuts by putting M-80 firethan him. He always bullied the other crackers in first; then dropping the boys. had ever seen. It was made in England. ing us. The pipe had gotten a hole in it I thought it was really funny looking and stuff was coming out and hitting with hand brakes and a shifter on it. We later moved back to the store on KY-52. The store was about empty in Carl McIntosh's for playing. Carl had and we had a lot of stuff to move back. bought a bunch of ponies and would We had all grown more. Sanford was now working at the Christmas tree factory in Lexington. He got drafted into the army in 1967 and stayed two They kept him on a chain in their years. He went to Okinawa, Japan for yard. Runt would come out there and a year. work in hay in the summer. They would always beat Bill. Carl had one worked mostly for Clay and his son, pony named Dolly. She was blind and Darrell Tipton. They would haul hay really gentle. I would ride her. He also a lot of places. Once on the Alexander had Star and Daisy. They were both property at Pitts they were putting in mare ponies. Star was bigger than the hay that layed overnight. T.J. Ballard rest. They said she was half horse. was working on the wagon. Glenn tried to hand a bale up and T.J. kicked car and got his drivers license. We it back. It had a copperhead snake in would go everywhere in the old car. the bale. They killed it and went back We would go swimming in the sumto work. come to the store from Lexington and Creek. Crystal Creek actually came Winchester, trying to get help housing down from Lee County. The water and cutting tobacco. Raymond Barnes was really clean and a lot of people was always a good cutter and went would come there. It was a lot of fun, every year. A lot of people would go swimming there.

work about a month each year. I was too small.

Fred Ginter lived on Millers Creek and would buy a lot of raspberries from us every year. Chester and Glenn would go and help him in hay a lot. He had a son the same age as Sue, named Ricky. They lived where the back water got up a lot. They had to walk or take a boat to get out. I wouldn't want to live there. I wouldn't like the flood-
