ABOVE AND BELOW: Estill County High School's Bass Team's coach Chris Osborne reports, "We attended our first KBN state tournament on Green River this weekend. I want to give a big thank you to all the people that put in the hard work and long hours with KBN to give these young anglers the opportunity to participate in the sport they love. Luke Fletcher, above, won the big fish award for this tournament with 5.69 Lbs. After the first day our teams were in position to make a run for it; these anglers give it their all but we came up short today. We had the opportunity to meet a super great guy this weekend that give these anglers some great opportunities. Thank you, Mark Southern for all you do." (Photos courtesy of Chris Osborne)

AT LEFT: Two more West Irvine Intermediate students start off their summer break with new bicycles. Community partners Meade's Do-It Center and O. D. Henderson Masonic Lodge awarded Brayden Brooks and Lexie Fields with two new bicycles. Lexi's and Brayden's names were drawn from a pool of students with perfect attendance from spring break until Thursday, May 30th. Special thanks to Josh Rogers of Meade's Do-It Center! Daisy Tuttle -- 'Big on Commitment' for 65 Years

Mark Haney, president of Kentucky Farm Bureau Federation and John Sparrow, CEO of Farm Bureau, present a 65-year service pin to Daisy Winkler Tuttle of Irvine for her continued service with Kentucky Farm Bureau since she and her husband, John Paul Tuttle, began in 1954.

Big on Commitment for 65 years, Daisy Winkler Tuttle has served a generation of Estill Countians. She feels everyone has been a part of her family. Daisy received her 65-year service pin from Kentucky Farm Bureau on February 14, 2019. Daisy started in 1954 following a year of being an Estill County school teacher. She was a life-time partner with her husband, John Paul Tuttle. They made the perfect team to service their friends. She has since served Kentucky Farm Bureau members and the insureds, which she has enjoyed from the first day.
