# Veteran Support Workshop

The Ravenna Christian Church and the National Chaplain Center of the Department of Veterans Affairs (VA) invite you to attend a free interactive Veteran Support training session in Ravenna, KY. This workshop will be held on June 17, 2019 from 8:30 a.m. until 4:00 at Ravenna Christian Church, 106 7th Street, Ravenna, KY 40472.

Many Veterans and their family seek spiritual, emotional, and psychiatric help from their clergy. An upcoming workshop in Ravenna, KY can help better prepare you to support them. Rural and smaller-town Veterans in particular, have limited choices for healthcare. As a member of the clergy, citizens interested in Veterans, or any faith-based organization, you are an important contact point for Veterans in your community.

Sometimes clergy members aren't aware of the Veterans in their communities and congregations or how they might help a Veteran and their family following deployment. Clergy can recognize Veterans who are struggling in their return to civilian life, but not know how to support them.

Training topics at the workshop will include: Identifying actions community clergy can take to assist military person-

nel and their families with a healthy adjustment to a civilian culture. Types of common military events that can cause adjustment problems for military personnel and the psychiatric and psychological responses that often follow from them. Identifying pastoral responses and resources for clergy and their congregations.

National trends in mental health care. Resources for mental health care available in rural locations. Specific information on making referrals to VA mental health care and community mental health. The potential for congregations to be supportive communities for re-integration of Veterans. Successful community efforts in helping Veterans to integrate back into their communities. And improving ability to identify ministry opportunities for Veterans in your community.

The June 17, 2019 event will primarily focus on building community partnerships in the morning session and mental health and referrals in the afternoon session. The event is presented by Chaplain Joseph White of the Lexington Veterans Affairs Medical Center. For more information call 859.281.4910 or contact the Chaplain at joseph.white7@va.gov or www.patientcare.va.gov/chaplain/clergytraining.

# Luminaria Ceremony at Relay for Life

During the Relay for Life a Luminaria Ceremony will honor, remember and celebrate lives touched by cancer. Luminarias will be lit near dusk on Friday, June 14 at the Estill County High School track.

The Luminaria Ceremony provides an opportunity to reminisce and celebrate not only the lives of these extraordinary individuals, but also their strength and courage. This touching ceremony highlights the importance of defeating this disease and striving toward a world with less cancer and more birthdays.

Each luminaria represents the life of someone who has battled cancer. It is a

beautiful, moving sight when all the bags with candles are illuminated around the track to remember loved ones lost to cancer and to pay tribute to cancer survivors.

Since its beginning in 1985, Relay for Life has developed from one man running around a track of 24 hours to a full-fledged international event, which takes place in more than 5,000 communities and 20 countries, with nearly 4 million walkers in the U.S. alone.

To purchase a luminaria bag in memory or in honor of someone remit the form and donation by mail or take to the Relay for Life.
