

Library Happenings

Estill Public Library

by Shannon Horn

How is it the second week of September? How? I just can't figure out where my year has gone. Oh well, I guess that just means Christmas is a'comin'. If ya don't believe me, I've already scheduled a couple of days for Santa to come visit us here at the library. But for now, let's just enjoy this lovely weather and some fun programs that we are having here at the library.

Buy-A-Brick

Before I get to anything else I want to remind everyone about our Buy-A-Brick project. If you would like to purchase a brick in memory or honor of a family member, friend, business, etc. that will be used in the sidewalk at the new library, you need to do so this week. The final day for this will be September 13th and we want to have at least 50 people purchase a brick. We have gotten applications for 35, so we are almost to our goal. If you would like to buy a brick, they are \$40. You can either stop in the library

and fill out an application or go online to www.brickrus.com/donorsite/friendsofestillcountylibrary.

LEGO Architect Day

On Saturday, September 14th we will have a special LEGO club time. It will be from 10:30-12:00. This is a family fun event, so the entire family can come in and participate. The last time we had something like this, several parents came in and built alongside their kids. There are different sized blocks for children of all ages; the small block can only be used by kids that are 6 and up. You don't have to stay for the whole time and you don't have to be there right at 10:30. Just come in when it is convenient for you.

Children's Book Tasting

On September 17th, we will be hosting a Children's Book Tasting. This is for children in 3rd-5th grade. We will be pulling several of our new juvenile fiction books for the kids to "get a bite of", before they check them out. This is a great way for kids to find books that they maybe wouldn't have picked up before. They will have the chance to try out several books and if they want they can check them out at the end of the program. This will start at 4:00.

Walk Slim

This is just a reminder about our Walk Slim program. The time did change to 4:30 every Monday, Wednesday and Friday. If you weren't able to make the evening programs though, we are opening up the meeting room for you to come and walk every morning. The room will be available from 9:00-10:00 every morning for anyone interested in coming in to walk.

Building Update

I'm hoping that those of you who have been keeping track of our new building are excited to see the brick that is going up on the outside of the building. I know I'm glad to see it! The progress that is being made is getting everyone here pumped up and ready to be at the new location. However, there is still quite a bit of work that needs to be done. The outside is looking great, but it is going to be painted before it is all said and done. I heard that they are possibly going to begin putting drywall up in the basement. This building is going to be a wonderful addition to our community and we can't wait to be there.

Remember, if you have any questions about other programs, just call the library at 723-3030. We are always willing to take your calls!
