

Library Happenings

Estill Public Library

by Shannon Horn

It looks like the month of September will be as busy here at the library as it was during Summer Reading. We have something planned for every single weekday! There are several new things going on so I will be highlighting them first!

Teen Homework Help

There have been several teens coming into the library the last few weeks to study. I don't blame them. It is usually pretty quiet, although we do sometimes have music playing. We also have all kinds of resources that they can use for their school work. I decided to set aside some time once a week for teens to come to the library and use the meeting room for a study place. Every Wednesday at 3:30 the meeting room will be open to kids in middle and high school. We will be serving snacks, prob-

ably fresh fruit. I will also be in the room to help the kids with any homework, projects, papers, etc. If your teen needs a quiet place to study send them on down to the library on Wednesday!

Homeschool Enrichment

It is time once again for our Homeschool Enrichment group to meet! Our first meeting will be held On September 12th at 1:00. This group is for all grade levels of homeschool kids. We will have some fun things planned throughout the year, so make sure you join us if you are homeschooling your child. If you have any questions, call the library at 723-3030 and we will do our best to answer them!

LEGO Architect Day

Saturday, September 14th we will be having a LEGO Architect Day. While LEGO Club is usually for kids 6-12 years old, I've had kids as young as three and as old as 16 coming in to build recently. I thought it might be fun to have another day where the whole family could come in and build. We had a day like this before and it was a success. The meet-

ing room will be open from 10:30-12:00 that day for anyone who wants to bring their kids and build!

WhoDunit Book Club

Since we were closed on Labor Day, the WhoDunit Book Club didn't meet. Instead they will be meeting on September 9th at 5:00. Call the library to get the location of the meeting place!

Walk Slim

We've had several people come in throughout the week to walk, and we've adjusted the schedule just a little bit for those who maybe don't have the afternoons free. Every morning from 9:00-10:00 the meeting room is open for anyone who would like to walk. If you are only able to join us during the evening hours then come on in Monday, Wednesday or Friday at 4:30.

All of our regular programming is going on now, so stop by and get a calendar to stay up to date. As I said, there is a lot going on here at the library, so if you don't want to miss it pick up a calendar or check out our Facebook page or our new website estillpublib.org.
