

# Library Happenings

## Estill Public Library

by Shannon Horn

It has been another wonderful week here at the library. We hope you've had a good week as well. I'm excited to say that we've had some wonderfully successful programs throughout this week and we have some coming up that I know will be a lot of fun.

### Crafternoon with Sandy Savage

It was another great Crafternoon class with Sandy Savage this last Wednesday. We had a large group in attendance; several of them were homeschool students. They spent the afternoon studying texture. All of the drawings that I saw were really, really good. I'm always impressed by the work that is done in our Crafternoon sessions. Estill County has a lot of talent. Our next Crafternoon session will be September 25th at 1:30.

### Homeschool Enrichment

Our Homeschool Enrichment group met for the first time last week. We had 15 kids in attendance. I never knew just how many kids were homeschooled, but it has been so fun getting to know these kids. I really can't wait for us to really get into our activities. Last year was my first time working with the homeschool group and I wasn't always sure what would work! I think this year will be even better! If you are homeschooling your child, bring them on in at our next meeting on September 26th. I have something fun planned and I would love to have you there. It starts at 1:00! Don't miss out on this fun time.

### Kids Computer Class

On Monday, September 23rd we will be having a computer coding class for 3rd - 5th grade students. We will be playing with the coding website Scratch. You can build your own videos, video games and other short cartoons. It is an awesome program that is free to use. Once they learn how to use the program than can use it at home or anywhere they have access to the internet. I will have the laptops

set up and ready to go at 3:30. Bring your child by if they would enjoy this program.

### Teen Game Night

If you have ever watched The Tonight Show Starring Jimmy Fallon, then you know he has some interesting games to play. Katelyn has been wanting to play Box of Lies for a while now and we are finally to the place that we can! She has been putting boxes together now for almost a month, so the teens would have plenty to choose from. Teen Game Night is on the 24th at 3:30.

### WhoDunit Book Club

Kathy wanted me to let everyone know that the next WhoDunit Book Club meeting would be in a different location than the normal spot. If you call in to the library we can let you know where the meeting will take place. The book that they are reading this month is Rules of Murder by Julianna Deering. We have some copies available and it is also available on CD for those of you that are in the car a lot.

A lot of good things are going on at the Estill Co. Public Library. We'd love for you to be a part of it all! Stop by and see us! Until next week!

# Estill Courthouse News
